SPA WORLD FLOOR GUIDE

Bathing Manners

•Wash before entering the baths.

This is basic bathing manners.
 It is also important to help your body get used to water temperature

•Hair should be tied up

Please use hair elastic bundling or shower cap cover your hair.

•Do not scrub your body in the baths.

Wash your body before entering the baths and then enjoy a good soak.

•Do not dip towel in the water.

Get in the baths with wrapping a towel round your body is considered bad manners.

•Wipe your body before entering the sauna room.

To keep the floor dry and clean, you would wipe yourself lightly before entering the sauna room.

•No brushing teeth in the bath.

Brushing teeth in the bath is considered bad manners. Please brush your teeth in the washing area.
